Love 89/Life 88.3

If you have ever tuned in to Love 89 & Life 88.3 and been blessed by their music, we have the opportunity to minister back by helping with their mail team. Monday, Dec 28th, meet at the church 12:15pm. We will go to the studio and stuff envelopes for 1-2 hours, maybe less depending on how many go. Then head to downtown for dinner, movie/ice skating. You will need to bring money for your meal & activities, and we must have a current Permission & Medical form. If a parent/adult 25yrs older would like to help with driving we welcome you!

Permission & Medical Forms

Starting Sept 1, 2009 to Sept 31, 2010 all youth will need to have a new medical form completed.

These forms can be found on the youth table in the main foyer. Forms need to be notarized; Karen Peoples, Ginger Asquith & Trish Turner are notaries. Also a copy of insurance card should be provided.
